

## **Greatest of these is LOVE....**

Becky's Place is a Christ-centered, year-long in-residence program. Our unique ministry is for women (ages 18-34) whom are struggling with life-controlling issues, such as substance abuse, self-harm, eating disorders, and abusive relationships. We believe that everyone has value and purpose. Our mistakes and wounds do not define who we are. Our heart's desire is to see lives transformed by the truth of God's word!

At Becky's Place we are dedicated to seeing lives transformed and ladies restored. Pictured above is a recent baptism service.

## Becky's Story

Becky was a devoted wife, loving mother, and a follower of Christ. Though she experienced significant childhood trauma, she lived life with a passion and heart for God. Later in her life she had difficulties with pain management and became addicted to opiates. Despite her faith never wavering, she died of an overdose in 2005. She left behind a legacy of faith in Christ that lives on through her daughters and grandchildren. At the time of her death several people remarked that her home was always a place of refuge and sanctuary. We are committed to seeing lives restored so that other families will not have to endure similar hardships.
